LIST OF TABLES

Table No.		Page No.
2.1 :	Fisheries Types in Assam 2005-06	40
2.2 :	Water Area Covered by Various Types of Fishery in Assam 2005 – 06	41
2.3 :	Production of Fish Seeds and Fish in Assam 1997-98 to 2005-06	41
2.4 :	Fish Culture Infrastructure in Assam 2004 – 05	42
2.5 :	Fish Seed and Fish Production Status in Cahcar 1997 – 2006	46
2.6 :	Fish Production by Various Sources in Cachar District (1992-1993 to 1995-96)	46
2.7 :	Fish Production from Various Sources by Number of Units and Water Area in the Cachar District 2005 – 06	47
2.8 :	Water Area and Types of Fisheries in the Karimganj District, 2006	49
2.9 :	Production of Fish Seeds and Fish in Karimganj District 2002 – 2006	49
2.10 :	Availability of Nursery, Rearing and Stocking of Fish in the Karimganj District, 2006	50
2.11 :	Number of Registered Beel and River Fisheries in the District	51
2.12 :	Fish Production in Hailakandi District (1992 – 93 to 1998 – 99)	52
2.13 :	Distribution of Landholding by Number of Households in the Three Villages of the Shone beel	58
2.14 :	Annual Yield Rice Grain in the Three Villages of the Shonebeel	59
2.15 :	Mean Annual Income of the Households in the Three Villages of the Shonebeel	61
2.16 :	Mean Expenditure in the Three Villages of the Shonebeel	62
2.17 :	Population Status of Three Villages of Barak River	66
2.18 :	Land Holding Pattern in the Households of the Three Villages Netaji Nagar of Barak River	68
2.19 :	Annual Production of the Rice Grains in the Three Villages of the Barak River	68
2.20 :	Live Stock and Poultry in the Households of the Barak River Villages	69
2.21 :	Annual Mean Income of the Households in the Three Villages of the Barak River	70
2.22 :	Mean Expenditure of the Households in the Three Villages of the Barak River	71
3.1 :	House Types of the Patni in the Two Fisheries	79
3.2 :	Types of House of the Kaivartya in the Two Fisheries	80
3.3 :	Types of House of the Mahimal in the Villages under the two Fisheries	81

3.4 :	Movable Assets Owned by the Patnis of the Two Fisheries	82
3.5 :	Movable Assets owned by the Kaivartyas in the Two Fisheries	82
3.6 :	Movable Assets Owned by the Mahimals of the Two Fisheries	83
3.7 :	Material Possession owned by the Patni of the two Fisheries	85
3.8 :	Material Possession owned by the Kaivartya of the Two Fisheries	85
3.9 :	Material Possession owned by the Mahimals of the Two Fisheries	86
3.10 :	Sources of Drinking Water in the Villages of the Two Fisheries	91
3.11 :	Diseases in the Households of the Villages in the two Fisheries	93
3.12 :	Enrolment and Average Attendance Status of the Students in the Devadwar Schools	94
3.13 :	Enrolment and Average Attendance Status of the Students in the Kalyanpur Schools	94
3.14 :	Enrolment and Average Attendance Status of the Students in Netaji Nagar School	95
3.15 :	Enrolment and Average Attendance Status of the Students in Radha Nagar School	95
3.16 :	Enrolment and Average Attendance Status of the Students in Balighat School	96
3.17 :	Marital Patterns of the Patni in the Two Fishery (1966 – 2005)	102
3.18 :	Marital Patterns of the Kaivartya in the Two Fishery (1966 – 2005)	102
3.19 :	Marital Patterns of the Mahimal in the Two Fishery (1966 – 2005)	102
4.1 :	Production of Fish in the Shonebeel	138
4.2 :	Daily Average CPR Fish Sale in the Whole Sale Markets (June to August)	143
4.3 :	Fish Collection in the Households of the Shonebeel Villages	144
4.4 :	Domestic Consumption of Fish in the Households of the Shonebeel Villages	144
4.5 :	CPR Fish Sale in the Households of the Shonebeel Villages	144
4.6 :	Nets/Gears Used by the Fishermen in No. 6 and No. 7 Jalkar Fisheries in 2004	151
4.7 :	Fish Collection in the Households of the Barak River Villages (2005 – 06)	153
4.8	Domestic Consumption of Fish in the Households of the Barak River Villages (2005 – 06)	153
4.9 :	CPR and PPR Fish Sale in the Households of the Barak River Villages (2005 – 06)	153
5.1 :	The Status of Climatic Condition of Barak Valley	161

5.2 :	Population of the Three Villages in the Shonebeel Fishery	169
5.3 :	Use of Cowdung Cakes as Fuel in the Households of the Shonebeel Village (2005 – 06)	177
5.4 :	Use of Fuel Wood in the Households of the Shonebeel Villages (2005 – 06)	177
5.5 :	Use of Dried Leaves as Fuel in the Households of the Shonebeel Villages (2005 – 06)	177
5.6 :	Population Status of the Three Villages of the Barak River Fishery	180
5.7 :	Use of Cowdung Cakes as Fuel in the Households of the Barak River Villages	182
5.8 :	Consumption of Fuel Wood per day in the Households of the Barak River Villages	182
5.9 :	Use of Dried Leaves in the Households of the Barak River Villages	183
6.C1.1 :	PPR Fisheries Cases Undertaken in the Barak Valley	197
6.C 2.1 :	Fish Seeds Released in the Fishery in 1998	199
6.C 2.2 :	Sale of Different Varieties of Fish in 1998	199
6.C 3.1 :	Fish Varieties Introduced in the Pond Fishery of Shekhar Sharma	201
6.C 3.2 :	Expenditure for Fish Purchasing in 1990	201
6.C 3.3 :	Month wise Feeding of the Fishes in 1991 – 92	201
6.C 4.1 :	Fishery Construction and Rearing of Fishes	203
6.C 5.1 :	Introduction of Fish Seeds (*Baish*) in Pond	209
6.C 6.1 :	Cost of the Fish Purchased in 1990	210
6.C 6.2 :	Sale Value of Fish in 1990	211
6.C 6.3 :	Food Stuffs Provided for the Fish Seeds	211
6.C 8.1 :	Expenditure on Different Food Supplements	218
6.C 8.2 :	Fish Market in the Vicinity	219
6.C 10.1:	Expenditure on Pond Preparation in 1971	225
6.C10.2 :	Introduction of Baish in 1971	225
6.C 10.3:	Feeding of the Fishes in 1971 (May – June)	225
6.C 10.4:	Selling of Fishes in January (1971 – 72)	226
6.C 11.1:	Expenditure on Pond Preparation and Fish Rearing for 1999 – 2000	234
