LIST OF TABLES

Table No.	Caption	Page No.
2.1	Age and Sex of the Four Villagers	68
2.2	Literacy Level of the Villagers	70
2.3	Gender wise Distribution of Families into Educational Level of the Villagers	71
2.4	Number of Students in L P Schools of the Villages	72
2.5	Houses of the Villagers	73
2.6	Size of House in the Villages	74
2.7	Guest Room Items in Families of the Villages	75
2.8	Kitchen Items in Houses of the Villages	76
2.9	Household Items in Families of the Villages	77
2.10	Vehicles in Families of the Villages	79
2.11	Sources of Drinking Water in the Villages	80
2.12	Methods of Purifying Water in the Families of the Villages	80
2.13	Types of Latrine used in the Families of the Villages	81
2.14	Type of Fuel among Families of the Villages	82
2.15	Occupations of the Villagers by Gender	84
2.16	Annual Family Income of the Villagers	86
2.17	BPL families in the Villages	86
2.18	Types of Family in the Villages	87
2.19	Size of Families in the Villages	88
2.20	Marital Status of the Villagers	89
2.21	Place of Treatment among Families in the Villages	90
2.22	Preferred Medicine among the Villagers	92
2.23	Sources of Health Information in the Villages	94
3.1	Trend of Growth in Agricultural Sector, Assam	101
3.2	Trend of Production of Food Grains in Assam	102
3.3	Rainfall in Assam during Kharif and Rabi Seasons 2009-10	103
3.4	Rainfall in Assam during Kharif Season, 2010	104
3.5	Area under Crops in Assam during the Period 2001-02 to 2009-10	106
3.6	Yield Rate of Principal Agricultural Crops in Assam	108

3.7	Area and Productivity under High Yielding Variety Rice	109
3.8	Target of Production of Major Crops in 2010-11	109
3.9	Index of Agricultural Production in Assam and India	110
3.10	Agricultural Censuses 2000-01 and 2005-06	111
3.11	Agricultural Holdings and Operated Area in Assam	112
3.12	Types of Landholding in Families of the Four Villages	113
6.13	Size of Landholding in the Villages	114
3.14	Types of Crop Seed Used in Families of the Villages	115
3.15	Types of Local Seeds Used by Families in the Villages	115
3.16	Types of High Yield Variety Seeds in Families of the Villagers	116
3.17	Season-wise Area Distribution under Kharif and Rabi Crops in the Villages	118
3.18	Preferred Types of Crops among Families of the Villagers	119
3.19	Crop Grown by Families of the Four Villages	120
3.20	Uses of Crops in Families of the Villages	121
3.21	Status of Animal Farming in Families of the Villages	122
3.22	Types of Animal Farming in Families of the Villages	123
3.23	Sources of Information on Animal Breed for Farming in Families of the Villages	124
3.24	Types of Fertilizers Use by Families in the Villages	125
3.25	Knowledge Status of Families on Recommended Doses of Fertilizers in the Villages	126
3.26	Types of Chemical Fertilizers Used by Farmer Families in the Villages	128
3.27	Urea Application Status among Farmer-Families in the Villages	130
3.28	Time of Urea Application by Farmer families Transplantion in the Villages	132
3.29	Fertilizers and Methods of Application among Families in the Villages	134
3.30	Agricultural Implements among Families in the Villages	135
3.31	Knowledge Status on Insecticides among Families of the Villages	136
3.32	Types of Insecticides Used among Families in the Villages	136
3.33	Knowledge on Crop Diseases among Families of the Villages	137
3.34	Bank Accounts of Families in the Villages	137
3.35	Loan Status among Families of the Villagers	138
3.36	Types of Loans Taken by Families in the Villages	138
3.37	Knowledge Status of Families on Agricultural Schemes in the Villages	139
3.38	Gender and Knowledge of the Villagers on Agricultural Schemes and Loans	140

3.39	Farmer-Families Regular Irrigation Status in the Villages	141
3.40	Sources of Irrigation among Families in the Villages	142
3.41	Distribution of Families with their Annual Crop Production of Local Seeds (Sali)	143
3.42	Annual Crop Production of HYV Seeds among Families in the Villages	144
3.43	Land into Size of Landholding on Area under HYV and Local Seeds	145
4.1	Caste among Families in the Villages	155
4.2	Communities in the Villages	157
4.3	Religious Groups among the Families in Villages	161
4.4	Performance of Pujas among Families of the Villages	165
4.5	Festivals Celebrated in Families of the Villages	166
4.6	Participation in Religious Functions by the Villagers	171
4.7	Marriage Types in the Families of the Villages	177
4.8	Types of Mate Selection in the Families of Four Villages	178
4.9	Place and Distance of the Spouse among the Villagers	179
4.10	Distribution of Villagers into Age Group and Agricultural Communication	184
4.11	Villagers' Visit to the Block Development Office (BDO) for Seeds	187
4.12	Sources of Information of the Villagers on Loans	189
5.1	Sources of Seeds Information in Families of the Villages	198
5.2	Sources of Seed procurement Families of Four Villages	199
5.3	Visits to the Block Development Office for New Seed among Families of the Villages	200
5.4	Frequency of Agricultural Officials' Visits to the Villages	200
5.5	Fertilizer Purchase in Families of the Villages	202
5.6	Sources of Fertilizer by Landholding size among the Families of the Villages	204
5.7	Sources of Insecticides among Families in the Villages	205
5.8	Weeds Problem among Families in the Villages	206
5.9	Sources of Information on Weedicides among Families in the Villages	207
5.10	Categories of Farmers Sharing Agricultural Information in the Villages	208
5.11	Sources of Information on Markets	209
5.12	Landholding among Families in the Four Villages	212
5.13	Types of Land of Families in the Villages	212
6.1	Types of Mass Media among the families in the Four Villages	218
6.2	News Paper Subscription among the Families in the Villages	219

6.3	Gender Wise Distribution of Villagers into Name of Newspapers Read by Them	220
6.4	News Items Read by the Villagers	222
6.5	Time Span of Newspaper Reading among Families in the Villages	223
6.6	Reading of Agricultural Items in News Papers in a Week	225
6.7	Subscription of Magazines among Families in the Four Villages	226
6.8	Villagers into Reading Magazines Read by the Villages	227
6.9	Time Spent by the Villagers on Reading Magazine	229
6.10	Types of Radio Programmes listening in Families of the Villages	231
6.11	Agricultural Programme Listening in Families of the Villages	232
6.12	Time Span of Daily Radio Listening among the Villagers	233
6.13	TV Programme Watching among Families in the Four Villagers	235
6.14	TV Channel Preferences among Families in the Villages	236
6.15	Time Span of Watching TV among the Villagers	238
6.16	Places of Computer Use in the Villages	240
6.17	Uses of Computer and Families in the Four Villages	240
6.18	Places of Internet Use in the Villages	241
6.19	Internet Using per Week among the Villagers	242
6.20	Time Span of Daily Internet using and the Villages	243
6.21	Villagers' Purposes of Using Internet	245
6.22	Purposes of Using Mobile Phone among the Villages	246
