Arabia, for his kind and stimulating suggestions and advices throughout the course of this work.

My most heartfelt thanks also go to my friend Mr. Saidul Hoque, Assistant Teacher, Bidyapur High School, Bidyapur, Bongaigaon, Assam and Mr. Maychan Ali, one of my great friends who shares with me the joys and sorrows; I am really grateful to both of them for their suggestions in different stages of this project.

I am grateful to all authors and writers whose works, writings and references I have consulted or quoted in my work and also to the librarians and the staff of various libraries where I have consulted books and other reference metarials.

I would like to thank everybody involved in the successful completion of this thesis, as well as I express my apology that I could not mention them here one by one.

Last, but not the least, I extend my appreciation to my beloved parents, brothers and sisters for their continuous support and encouragement to me and their prayer to Allah for my success.

Joynal Abedin.
